Case #:

THOMAS DUBOIS

RESPONDENT:

Amazon.com Services, Inc.

Contact: Human Resources

Headquarters: Amazon.com Services, Inc.

410 Terry Avenue North

Seattle, WA 98109

1250 NW Swigert Way Troutdale, OR 97060

County: Multnomah

of Employees: 50+

ORS 659A.199

I, Thomas Dubois, under penalty of perjury, do depose and say as follows:

Allegations: I allege an unlawful employment practice based on my protected whistleblowing activities in that Respondent retaliated against me and subjected me to a hostile work environment.

- 1. I was hired by Respondent as a level 1 inbound associate on or about November 13, 2018. I am a 50 year old Caucasian male.
- 2. In February/March 2019, I reported concerns about a coworker John Clark being under the influence of alcohol to manager Renee Bradbury.
- 3. On April 20, 2019, I questioned Ms. Bradbury and her decision to keep an alleged injured worker on the forklift, John Clark, and putting Mr Clark on the order picker truck possibly furthuring alleged injury instead of sending him to medical treatment. I left work shortly after in disagreement with Ms Bradbury decision.
- 4. On April 24, 2019, Ms. Bradbury disciplined me by assigning me to an outbound manual picker shift, which starts at 07:30, came to me during my work and said, "Don't ever do that again." referring to my early departure on 420-2019.
- 5. On or around June 2019 I recieved employee of the month for May 2019.
- 6. I attended an appeal panel on or around July 10th 2019, as a panel member, and questioned the validity of "takt time" to ops mgr. Clay. The associate was terminated after having a miscarriage, off for a month, and returned to inbound stow not able to "meet" her (Brandi) takt time. I asked Clay since inbound stow has a 5000 olub and that the stowers to White Controls are given nothing but "smalls" items would it FORTIAND.

be possible for the "water spider", aka person bringing stowers freight, to give Brandi large items rendering a higher takt time. Clay said technically yes. I then pointed out Brandi's 99.67% of the curve the week prior to her miscarriage rendering a wrongful termination in my opinion. A manipulated takt time determined by the water spider and what you get to stow per size.

- 7. On July 25, 2019, I was on a walkie-talkie trying to get hold of my manager Nick Tavarez, John Clark came behind me and said, "You bitch ass," and threw something at me.
- 8. I reported Mr. Clark's behavior to Respondent's human resources. Although they acknowledged that the behavior was a form of harassment, no corrective action was taken.
- 9. Due to stress from work, I requested to take two days, July 26 and July 27, 2019, off from work.
- 10. As I walked to my vehicle associate "Clayton" warned me of Mr Clark making a retalitory threat to set me up. I sat in my car nervous, smoked a cigarette and went back into h.r. main office to tell them.
- 11. On my first day back from h.r.'s initial investigation I felt protected per my telephonic conversation with h.r. rep Sarah Hugulet. On my last break at approx. 14:45 Mr. Clark arm checked me hard in the break room as I was already in the refrigerator. Mr. Clark approached me not I him.
- 12. On Monday July 29th I went to the Multnomah County Sheriff's Office and filed a complaint against Mr. Clark (case number 19-43878). The deputy I spoke with and filed the complaint said he would go to my work location.
- 13. After my reporting, Respondent subjected me to a hostile work environment including, but not limited to, the following:
- a. Respondent assigned me to less desirable jobs and changed my schedule,
- b. I was yelled at and talked down to by manager Renee Bradbury and other supervisors, and associates
- c. I was forced to take time off without pay to avoid harassment at work, and
- d. Respondent sent me home on August 14, 2019, without pay to conduct an investigation into my complaint of manager Gary Billy.
- e. The following day I was taken off order picker machine duties at approx. 1pm and forced to go to manual stow by order of Mgr "Cassie" to which I objected.
- f. Blatant continuous harassment rendered my obtaining current day stat sheet for order picker machine operator and going to main office Sr. Ops Nate proving I was at double the production of other associate(s)
- 14. As of the date of this complaint, I am still employed by Respondent. I created a order picker audit system for the v.n.a. area to which I work. I was also asked to write S.O.P.'s by my operations for the v.n.a. as well.
- 15. On Sept. 6th 2019 I was refused to inspect and copy my employee personnel file by Shelley Erickson head h.r. representative and her downline h.r. associate "John".

PORTLAND

I have given multiple statements of verbal, written and email pertaining to the above mentioned et more. Thave additional facts to the above mentioned which are available upon request.
